Dear Friends in Christ,

The first in-the-building church services that we will have at Trinity will be June 7th. Come out for the 8:00 am service or the 10:30 am service.

The Lord's Supper will be given at both. The first Thursday evening service will be Thursday, June 11th at 5:30 pm.

We will make every effort to protect on another (sitting 6 feet apart, sitting every other pew, special communion procedure, hand sanitizing, and masks). There will be a limited amount of masks available at the church for member use. Out of consideration for those who will be cleaning and sanitizing the sanctuary after services we ask that you do not throw your masks away in the church. Please take them out with you and dispose of them.

For right now we will not be using the air conditioning to have as much open air circulating as possible. Windows will be open and fans will be running. Please dress casual and cool. It will be warm in the sanctuary.

We will continue with all three services to ensure enough space for social distancing. There will be no Bible studies or Sunday School for the summer.

We request that you please not come to Divine Service if you are not feeling well. If you are uncomfortable about coming to service, we understand. You will still have the option of listening to the radio broadcast of our service (1590 KWBG, 10:00 am, Sunday mornings).

We encourage you to wear a mask at church and use hand sanitizer.

It will be so great to get back together for our services! I can't wait!

The Lord bless you. Any questions, give me a call (230-1952) or contact the church office (432-5140).

Love in Christ,
Pastor Lindsay Watkins
