*thank
you*

Thank you to my Trinity Family for all the prayers, cards, and visits during the 2 1/2 months I was in the hospital and Rehab nursing home.

I still have a long road to go to see if they can get the blood clot in my heart dissolved. My knee is progressing but is also slow. I praise God that He has been with me at all times. Thanks again!

Kevin has been a great helper, cook and carpenter for all the remodeling he has done in our home. PRAISE THE LORD!
